

I would highly recommend Decorative Crete Worx. Dave and his crew did a fabulous job on our floors. They are so beautiful, way beyond what I even imagined they would look like. I am so glad we made the decision to go with Concrete stained floors and chose Dave with Decorative Crete Worx. Not only were they on time every day and very professional, even after the job was finished Dave has been readily available for questions I have had regarding the care of our floors. He has a passion for what he does and it shows in his work. Thank you Dave for giving us the most beautiful floors we have ever had! Eddie & Donna Graham (I give you a 5 star rating...would give you 10 if I could but since it only goes to 5...5 it is).

Thanks again, Donna Graham
